WIND TURBINE PLAN OPPOSED

Kites take to skies at town festival

ALMOST 6,000 people descended on a Basingstoke sports field for the town's 22nd annual kite festival.

Kites of all shapes, sizes and colours flew sky-high at the Basingstoke Kite

Festival on Saturday and Sunday.

Ava Meads (above) saw her butterfly design made into a real kite as the prize for winning the festival's wildlife-themed competition.

The five-year-old described the festival as "the best day of my life", and counted meeting the Mayor of Basingstoke as a top highlight.

Officers reject plans for wind farm near town as the Monday decision day looms

PLANS for a wind farm of 14 turbines near Basingstoke have been recommended for refusal.

It comes ahead of a special meeting in which councillors are due to make a decision on the plans on Monday.

Council officers proposed the plans should be rejected in their report published this week.

A meeting is being held at Bapsy Hall in Winchester Guildhall, High Street, from 10am for a decision by councillors to be made.

Planning permission for the 14-turbine wind farm was submitted by EDG Energy Renewables to Basingstoke and Deane Borough Council, Test Valley Borough Council, and Winchester City Council in May last year.

They cross into the land of the three councils, therefore all three are coming together for the special meeting.

Officers at all three recommended the plans be rejected. Councillors are due to visit the

site at Bullingdon Cross west of Basingstoke on Friday ahead of the decision day.

Four of the turbines at the planned Bullingdon Cross Wind Farm in Norton, Sutton Scotney, would cross into Basingstoke and Deane land.

They would stand 126.5m high and last for 25 years.

In Basingstoke and Deane 1,431 people wrote in support of the plans and 1,329 opposed them.

A petition was also signed by 3,081 people opposing the plans.

It stated there would be "great dangers of mid-air collisions" between the turbines, military planes and helicopters, and Microlight planes.

Brother and sister start live TV finals

By **Katriona Ormiston**
news@basingstokeobserver.co.uk

BASINGSTOKE siblings kicked off the live Britain's Got Talent finals as the first act in front of 12 million TV viewers on Saturday.

Ben and Joanne Davies, from Dartmouth Road, South Ham, launched the show with dance troupe Addict Initiative.

Despite not winning the ITV talent show on Saturday the pair said it was far from a defeat.

They were given a standing ovation from Simon Cowell and David Walliams after the performance which Ben choreographed.

Ben, 25, twisted the Hansel and Gretel-themed fairy-tale into an energetic, dark and sinister dance story for the show.

He watched as sister Joanne, 22, danced with the 26-strong group.

Joanne said: "To be able to say we were in the top 10 finalists in Britain's Got Talent is incredible."

"We are all still absolutely buzzing, I don't think we will come down from this for a while."

"It felt amazing, it was a once in a lifetime experience."

Joanne had to leave her job in Human Resources to put in the practise hours for the show.

She is now touring around the UK with the Leicester-based Addict Dance Studios dance group.

Ben was given a promotion from choreographer to artistic

and creative director on Monday.

Dad Patrick Davies said he has even been approached by director-producer Tim Burton, who is famous for his work including Edward Scissorhands and The Nightmare Before Christmas.

Mr Davies, 54, and wife Deborah Davies, 50, had to watch the show on TV at home because Mrs Davies had her final bout of chemotherapy at Basingstoke and North Hampshire Hospital the day before.

The couple said their children's success had been a massive lift while Mrs Davies is battling breast cancer.

Mr Davies said: "It has been

the most incredible lift while we are going through a rough time."

"It was so exciting to watch and so nerve-racking. We had complete trust that they could do it but there is always some small thing that can go wrong."

"Like the dancers can't unhook themselves from the chain after they are flown through the air, or one of them trips."

"As parents we are so proud of them, they have really gone up a notch."

The winners were five-man band Collabro.

Among the group is 24-year-old former Alton College pupil Michael Auger.

Teenager wanted by police

A MAN wanted by police who has breached bail conditions is believed to be in Basingstoke.

Police appealed for help today finding 19-year-old Anthony Reed.

He is wanted by Hampshire Police in connection to a number of conditions includ-

ing burglary and breaching bail conditions.

Basingstoke police officer Sergeant Dave Wheatstone said: "We are keen to hear from anyone who has seen Anthony recently or who may know where he is."

"He has many links in the Basingstoke area and we believe he

is still in the local area."

"He is wanted in connection with a number of burglary incidents and is now also breaching bail conditions."

He is described as white, of a slim build, about 5ft 9ins tall, and has short brown hair.

Anyone with information is asked to call police on 101.

Santa charity run

RESIDENTS have just over two weeks to dust off their Santa hats for a charity Santa Sun Run on June 29.

Children's charity Sebastian's Action Trust is hosting its second run at Basingstoke's Down Grange Sports Complex in Pack Lane.

Events co-ordinator Hannah Lambart said: "We bring Christmas forward to ensure that all children experience the joy of Christmas as sadly some won't make it to December."

The 5km race starts at 10.30am.

Drink warning

RESIDENTS are being warned of the dangers of alcohol as the football World Cup kicks off today.

The message comes from Hampshire County Council's Hampshire Alcohol Partnership which is launching a drink awareness campaign today.

It will continue until the World Cup ends on July 13.

The partnership revealed nearly one in five county residents drinks more than the recommended allowance every week.

Executive member for public health Liz Fairhurst said: "We want families to enjoy football this summer, but would encourage everyone, while watching the games, to also watch how much they drink."

Scratch cards about safe drinking levels will be handed out at places around the county.

Council's warn of air crashes with turbines

• From front page

Laverstoke and Freefolk Parish Council, Overton Parish Council, Steventon Parish Council, and Hurstbourne Priors Parish Council all objected to the plans.

The concerns raised included visual impact, noise, vibrations, their close proximity to Popham airfield, and the threat to declining birds and animals.

Laverstoke and Freefolk Parish Council said: "The area is used for Ministry of Defence helicopter training runs and private flights in fixed wing planes, gliders & hot air balloons."

"The construction of the turbines could lead to the forced closure of Popham airfield - a valued local business and the re-routing of helicopters closer to dwellings - which will result in increased disturbance and could present a risk to householders."

Steventon Parish Council said: "Each turbine, over 400ft high to blade tip, is as high as the spire of Salisbury Cathedral, and the 14 turbines are distributed over a large area nearly two miles square."

"The visual impact on this beautiful and renowned area of rolling Hampshire downland is therefore very severe, and, being on high ground 300ft above sea

level the turbines would dominate the skyline when viewed from over a very wide area."

However Hampshire Renewable Energy Co-operative (HREC), based off Basing View, Basingstoke, counted up more than 2,000 signatures of support to councils last month.

HREC plans to own 10 per cent of the 14 turbines under a community ownership scheme.

HREC director Martin Heath said: "We have over 2,800 supporters for the Bullington Cross wind farm, which is an unprecedented level of support for any pre-planning wind farm in the UK. It shows that the people of Hampshire want clean, modern and efficient renewable energy and they want the benefits to be returned to local residents."

Members and supporters of HREC are meeting outside Winchester Guildhall to show their support for the plans.

Officers at Basingstoke and Deane Borough Council wrote up a three page conclusion as to why the plans should be refused which included visual impact and military aircraft safety among its many reasons.

• An example of one of the 14 turbines planned for land west of Basingstoke

It said: "The proposed wind farm by reason of its location, number and height of turbines would pose an unacceptable additional hazard to military aircraft, particularly helicopters, within an area of relatively congested aviation activity which is a designated MOD low flying training area where regular low level restricted landing manoeuvres are practiced by Chinook and other rotary wing aircraft." The meeting is due to run until about 5pm.

Mystery man walks away a millionaire

A mystery man from Basingstoke beat the bookies to walk away with £1m after picking all six winning horses at the Surrey races.

The 40-year-old, who wants to stay anonymous, put £5,400 on a Lucky 63 accumulator bet on the six races with Coral bookmakers at Sandown Park in Esher on May 29.

The man watched the races with friends and cracked open champagne in the box when his final horse crossed the line.

Coral spokesman Simon Clare said: "It is an extraordinary achievement to go through the card like this and he deserves every penny of his million pound win."

"He is a really nice guy and has been a Coral customer for a few years now so if someone is going to win a million pounds off Coral I'm glad it's him."

The lucky punter, who works in finance, picked a horse called Brown Panther owned by former England striker Michael Owen, as one of his lucky six.

He was waiting on 5-2 favourite Ishikawa to win in the 8.50pm race to make his million.

The horse edged ahead by half-a-length.

He visited the Coral box in excitement four races in and returned after the sixth to ask Coral's representative Mark Elks how much he had won.

When Mr Elks told the man how much he had won he stood dumbstruck before asking: "Can I give you a hug?"

Orphans celebrate business success

By **Katriona Ormiston**

news@basingstokeobserver.co.uk

BROTHERS orphaned ten years ago by the tsunami in Sri Lanka have not had an easy journey.

But Paul and Rob Forkan, aged 24 and 26, are celebrating business success as one of London's most exclusive stores prepares to launch their product on Monday.

Liberty in Regent Street is unveiling a range of Gandys flip flops, a business the brothers set up alongside a social initiative for orphans in developing countries.

Aged 11 and 13, Paul and Rob, and siblings Mattie, nine, and Rosie, five, were taken out of their London school by parents Kevin and Sandra to travel around India.

The family moved to Sri Lanka when the 2004 Boxing Day tsunami hit in which their parents were lost.

The brothers moved back to their sister's in Hampshire where Paul went to Basingstoke College of Technology from 2007

to 2009 and worked in the town's French Connection shop.

Paul said: "It is quite sad to think it was ten years ago now, but we have got a lot of positive things around it."

"It is very sad but we were always brought up to take negative things and turn them into positives."

"For one thing we are building

a children's home in Goa which is really exciting."

During 2013 Gandys went from strength to strength. From their profits 10 per cent goes to help orphans.

Stars including Jessica Alba and One Direction's Niall have been spotted wearing a pair.

This year they heard Liberty wanted to stock special addition

prints of the range this year and are gearing up for the launch on Monday.

Paul added: "It is really exciting. Libery is mine and Rob's favourite shop so it is really cool."

"We have come a long way since we started Gandys in Rob's bedroom and I was sleeping on his sofa."

Schools to get bigger

PLANS to expand an infants and junior school in Basingstoke to cope with rising pupil numbers have been revealed.

They would see Marnel Infant and Junior Schools, in Shetland Road, expand from 268 to 360 at the infants school and 308 to 480 at the junior school.

A drop-in session for residents and parents about the plans runs today from 3pm until 6pm at Marnel Junior School.

Building work for an extension of extra classrooms and internal revamp work would start next year and finish by August, 2016.

A Hampshire County Council consultation on the plans launched last week and runs until July 21.

A county council statement said: "Throughout Hampshire the birth rate has risen in recent years which, has created a pressure on pupil place together with significant new housing.

"This equally applies to the Basingstoke area and has resulted in an increase in pupil numbers.

"Hampshire County Council anticipates that this level of demand will continue and therefore is proposing to enlarge Marnel Infant & Junior Schools to meet this need."

It added: "The county council appreciates that local residents will be concerned about potential traffic implications around the expansion of the schools."

Protestors block AWE nuclear site

By **Katriona Ormiston**

news@basingstokeobserver.co.uk

ANTI-NUCLEAR protestors formed a human chain to block off the Atomic Weapons Establishment (AWE) site in Burghfield for five hours on Monday.

The 29 protestors from Action AWE and Trident Ploughshares locked themselves to each other and to cars stopping traffic to and from the site at its three access roads.

Campaigners say it is the first time an unannounced protest has managed to shut off all the roads.

Two people were arrested in the blockade by Ministry of Defence Police, which began before 7am and finished at about 11am.

Protestors were opposing the British nuclear weapons security programme called Trident.

Trident is made up of warheads - explosive bombs, the missiles which carry them, and the submarines which carry the missiles.

The warheads are made by the AWE.

Hannah Brock, from London, was locked to other members

Protestors locked themselves to each other and to cars at AWE on Monday

of Action AWE at the construction gate.

After the blockade was cleared she said: "Today we effectively shone a spotlight on the expensive, deadly and unnecessary work the AWE profits from."

"It was an empowering experience, and we hope that it inspires others to take peaceful action to stop Trident renewal before 2016."

"This is crucial if we are to prevent £100bn being spent on weapons of mass destruction, enough

to fund every A&E department in the UK for the next 40 years."

An AWE statement said: "There has been disruption at the Atomic Weapons Establishment."

It added: "AWE will continue to work with both the Ministry of Defence Police and the local police forces to ensure the safety and security of the Burghfield site."

"AWE recognises the democratic right of individuals to participate in lawful and peaceful

protest activities."

The 29 people, of which the oldest was 82, were from Reading, Wales, Bradford, Cornwall, London, Norfolk and elsewhere.

The incident marks an escalation of protests at the base - the last of which was on May 19.

They come ahead of the general elections next year which could determine the direction of the Trident programme.

Parliament is due to make a decision on the renewal of the programme in 2016.

Get recycling

NEW recycling banks for mixed plastics have been placed around Basingstoke and Deane.

The banks collect plastics including yoghurt pots, margarine tubs, food trays, and bottle tops.

Before only plastics bottles were collected at green recycling bins.

The banks were installed in Basingstoke, Brighton Hill, Buckskin, Burghclere, Kingsclere, Lychpit, Oakley, Overton and Whitchurch by Basingstoke and Deane Borough Council.

The plastics will then be taken to a plant in Yorkshire for recycling.

Cabinet member for community services and the environment, Hayley Eachus, said: "We want to make it easier for people to recycle."

Flying high for 22nd kite festival

By **Katriona Ormiston**

news@basingstokeobserver.co.uk

HUNDREDS of colourful kites took to Basingstoke's skies as part of the town's 22nd kite festival last weekend.

Up to 6,000 flocked to the Basingstoke Kite Festival at Down Grange Sport Complex in Pack Lane on Saturday and Sunday.

Among them was five-year-old Ava Meads, who said it was "the best day of my life".

The Old Basing Infants School pupil won the key stage one kite design competition with her drawing of a multicoloured butterfly.

On Sunday she was presented with a kite made from her design by Mayor of Basingstoke Roger Gardiner.

Ava said: "My kite was beautiful. Meeting the mayor was my favourite bit."

"I ran really fast to make it fly."

Dad Sean Meads, from Basingfield Close, said: "It was fantastic. The shock was Ava was the youngest of all the winners."

"Ava looked up to the Mayor in awe. He is so tall and she is so small so it was really funny to watch."

"She loved seeing her kite design made into a real kite, she

• Kites soared above Basingstoke at the weekend

spotted it straight away on the winners display board.

"There were thousands of people and the kite-fighting demonstrations were quite incredible to see. There were kite strings everywhere so you had to watch where you walked."

The kite festival, which ran from 10am until 5pm on Saturday and Sunday, entertained

children and adults with kite-making workshops, kite-flying demonstrations and displays.

A Rok fight, using traditional Japanese fighter kites, showed the way they can be used to attack each other to bring the kites of rival kite-fliers down in an arena.

More than 200 people entered into the rare and designer kite

competition.

Basingstoke Kite Festival coordinator Alan Cosgrove said: "It was brilliant, the guests said they all enjoy coming to Basingstoke because they say it always has a good atmosphere."

"It looked spectacular with all the kites up in the sky."

"For the last few years it has got really big."

Gang attack sees teens assaulted

A GANG attacked three teenagers walking home from a night out near Chineham Park last week.

The victims were assaulted by two men and two women who stole their phones, cash, hip flask and cigarettes between 11.30pm and Midnight on Wednesday in Shakespeare Road near Chineham Park Court.

Police Constable Mike Ahearne, said: "This was a one off incident, believed to be an unprovoked assault on three men walking home after a night out."

He added: "On routes home in the evening, our advice is to walk in groups, stay on well-lit paths, and call police should you feel threatened or find anything suspicious."

The two men are described as white, in their late teens or early-20s and about 6ft tall.

The first man had short brown hair, athletic build and was wearing dark blue track-suit bottoms, with no top.

The second man has a hood up throughout the attack. He is described as slim, wearing a blue hooded top with a logo, dark bottoms.

The two women are described as white, 5 ft 4" tall, of chubby build, medium length blonde hair and wearing a dark coloured jacket.

One of the women had a piercing in the lower part of her face.

Police are appealing for anyone with information to call them via the 101 number.

Mayor's welcome for Post Box riders

By Katriona Ormiston

news@basingstokeobserver.co.uk

A WELCOME brigade cheered on two intrepid cyclists at Alton's gold post box in their 3,000-mile charity mission to each of Britain's 111 Olympic gold post boxes.

Alton's town crier Stan Whitcher and mayor Graham Hill greeted Chris Britton, from Bristol, and Lucas Meagar, from Kingston upon Hull, at the Paper Mill Lane post box last Tuesday.

They then peddled to the gold post box at neighbouring village Bentworth where schoolchildren welcomed them waving hand-drawn posters.

The children, who waited for over an hour after school, cheered as they cycled down the road.

Mr Britton and Mr Meagar are mid-way through their challenge, which is thought to be the first man powered continuous trip to all 111 gold post boxes.

Lucas Meagar said "We have been so overwhelmed by the support we have received in Alton and Bentworth. We have never had a Town Crier and a Town Mayor greet us before."

"We shall take the Bentworth school children's posters with us,

• (Left to right) Chris Britton, Lucas Meagar, Alexa and Lucas Messenger, and Fred and Maddy Sadler at the Bentworth post box

in our map folder for good luck on our cycle around the rest of the country.

"Thank you so much to Alton Town Council who have organised such fantastic welcomes for us at the two gold post boxes."

Both Alton and Bentworth post boxes were painted for Olympic gold medal equestrian winner Peter Charles.

After the Royal Mail painted Alton's post box in 2012, residents pointed out Mr Charles was actu-

ally from nearby Bentworth, so they painted that one too.

Mr Charles retweeted the picture and message from Mr Meagar at the Bentworth gold post box in support of the challenge.

The pair are also visiting more than 20 London 2012 Olympic and Paralympics venues for charities Sport Relief, Paralympics GB and children's charity Tree of Hope.

Cllr Hill said: "It is an amazing

challenge that these two men have undertaken in support of Sport Relief, Paralympic GB and Tree of Hope. I wish them luck and good weather for the rest of their incredible journey."

The 27-day effort started at in Penzance at Women's pairs rowing medallist Helen Glover's post box and ends on June 26 at the post box on Hesse Road in Kingston upon Hull for Luke Campbell's Gold medal in the Men's Boxing Bantam weight.

Police set to tackle World Cup abuse

BASINGSTOKE'S police force is launching a campaign against domestic abuse alongside the World Cup as figures show the crime surges during big football competitions.

The first match of the football World Cup kicks off today as Hampshire Constabulary start their Speak Out Today campaign.

During the 2010 World Cup in South Africa there was a 27 per cent jump in domestic abuse incidents.

Throughout the World Cup, support workers will be volunteering to join police for calls about domestic abuse cases.

The victim will be able to speak to the support worker as the incident is reported.

Staff from support organisation Aurora New Dawn will be among the volunteers.

Chief Executive Officer Shonagh Dillon said: "Large sporting events like the World Cup see an increase globally in incidents of violence against women."

"Aurora New Dawn are delighted to be working in partnership with Hampshire Constabulary to co-ordinate support to victims and survivors of domestic abuse."

Hampshire Constabulary's Superintendent Ben Snuggs said: "Domestic abuse remains a priority for the force and we are using extra resources to help tackle the problem, take positive action and provide further support for victims during the World Cup."

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
 Do you have a family history of Glaucoma?
 Are you short sighted?
 Do you have diabetes?
 Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

Flood protection group launched in Hampshire

A PARTNERSHIP has been launched to plan how to protect Hampshire from future flood and storm damage, following this winter's heavy rainfall in the county.

Hampshire County Council, water companies, and energy companies agreed last week to work together to discuss what can be done to prevent future flood damage.

Hampshire County Council leader Roy Perry met with key representatives of Scottish and Southern Energy, Southern Water and Thames Water in Winchester.

They agreed to form a partnership to share information such as access to aerial photographs and flood mapping to find ways to fix the problems which led to flooding.

The utility companies will be invited to attend a Hampshire Partnership meeting at a date to be set to discuss ideas.

Cllr Perry said: "Staff from the utility companies were among those who battled through horrific conditions, day and night, to keep Hampshire moving."

"We recognise the utility companies have a very important

By **Katriona Ormiston**

news@basingstokeobserver.co.uk

role, alongside Hampshire County Council and other partner organisations, in ensuring that disruption to communities is minimised as much as possible in the event of future extreme weather conditions.

Cllr Perry added: "We are doing all we can to help communities who may find themselves without utilities for any length of time."

"Partnerships such as these put us in good stead for the challenges we may face in the future."

Basingstoke was hit badly in the January floods.

About 70 homes were evacuated in Bursledon in Basingstoke during the February floods.

Flooding also overwhelmed the town's sewers.

More than 300 homes across the county were flooded during the winter.

The county council is currently waiting to find out if it has been successful in bids to the Government for money to repair flood damage.

It estimated last month damage done, repair work and future flood schemes across Hampshire will cost about £68m.

AN ALTON College teenager will step up to a stage in London's Trafalgar Square in front of thousands of people next week.

Performing arts student Josie Smith was picked to play a part in the 10th annual West End Live event on June 21 and 22.

The free event hosts entertainment from West End musicals to showcase London's musical

and talent offerings.

The 16-year-old was chosen as a student at a weekly drama school called West End Masterclass, where she performs with West End stars.

Alton College drama teacher Shelley Hart said: "We're all really pleased for Josie."

"She is extremely dedicated and motivated in this subject and her attitude and work ethic

is commendable."

"We wish her the best of luck in West End Live and hope she thoroughly enjoys the experience."

Josie, who studied at Farnham Heath End school and lives in Aldershot, is working on the Extended Diploma in Performing Arts at Alton College.

The free event attracts crowds of thousands every year.

Killing off the guests

A VICTORIAN drama based on a famous murder that took place in a remote country house is being staged at The Haymarket from today.

Ladies In Retirement tells the story of retired actress Leonora Fiske, who decides she is fed up with her two unwanted lady guests.

By Adam Flinn

adam@taylornewspapers.co.uk

She plans to get rid of them from her house in the Thames Estuary, but it leads to a surprise murder.

It is based off a 1941 American film of the same name, which in turn was influenced heavily by a Broadway production from the previous year.

The stage show coming to Basingstoke is set to feature renowned film and television star Shirley Anne Field, who plays Leonora.

"It's very exciting," said Shirley. "It has many twists and turns, and I hope some very exciting performances in it."

"We keep it in the period, we wear lovely dresses and we don't touch each other to keep the formality of it."

"It's very hard when you use the modern day stuff not to touch people you're talking to, but we don't do any of that, we keep to Victorian morals."

So far the show has been warmly received by audiences across the country, as it prepares for its first Basingstoke performance this evening.

Shirley is also looking forward to seeing the original film for Ladies in Retirement, which she has yet to watch.

"I didn't see it because I was saving it as a treat for myself," said Shirley.

"But on the last leg of the tour, I got rather poorly, so all I could do was concentrate on the show."

"I also didn't want my performance to be copying or chasing mannerisms from someone else, but now I think I'll settle down for a treat and have a look at it."

For a full list of show times and ticket prices, go to anvilarts.org.uk or call the box office on 01256 844244.

Young cast for comedy

GRADUATES and students from the University of Winchester bring their adaptation of Shakespeare's classic comedy *Twelfth Night* to the Proteus Creation Space next Monday.

Set in the fictional kingdom of Illyria, *Twelfth Night* sees the twins Viola and Sebastian separated in a shipwreck at the start of the play.

It focuses on Illyria's Countess Olivia falling in love with Viola, who is disguised as a boy, while Sebastian in turn falls in love with Olivia.

The young cast have worked alongside professional theatre company Platform 4 to stage the production, as part of their New Tempest Club.

Helen Grime, a lecturer at the University of Winchester, has been working with the New Tempest Club since it began five years ago.

She said: "We've been running this project, where we work with recent graduates and students, along with professional theatre makers, to produce a small-scale touring piece in the summer."

"Some of the participants have been

with us since the beginning, and some are newcomers, so it's a mixture of new young talent involved in the production."

The group regularly meets in Winchester to discuss Shakespeare plays, and come up with ideas for their own take on them.

"We read various pieces, and we decided we wanted to have a look at this one this year," Helen added.

"It's a very interesting play because there's an awful lot of late night scenes and morning scenes, so you become very conscious of the time of day."

"People have been really impressed with our previous shows, they've really enjoyed them."

The show starts at 7.30pm at the Creation Space on Council Road. For more details or to book tickets, go to proteustheatre.com, or call the box office on 01256 321621.

WIN tickets to Cornbury!

FOLLOWING on from a memorable tenth anniversary year, the Cornbury Music Festival is promising another show of amazing live performances at the stunning Great Tew Estate over the weekend of 4th - 7th July.

As one of England's most civilised gatherings, the Festival is the summer hotspot for catching great music while hanging out with the Chipping Norton Set!

Saturday includes festival favourite Jon Allen, American blues travellers Reverend Peyton's Big Damn Band, New Jersey's Southside Johnny & the Asbury Jukes featuring Gary US Bonds, and chart topping Nina Nesbitt. The American invasion continues with Illinois rocker Lissie and Grammy-Award winning country new-girl Kacey Musgraves. Other artists include 60s icon Georgie Fame with Guy Barker's 16 piece big band, pop-hit makers Scouting for Girls, and Scottish rock legends Simple Minds.

Come Sunday, the festival goes pop with performances from X Factor

2013 winner Sam Bailey and finalist Luke Friend, and an eclectic cocktail of Caribbean flavoured Kid Creole & The Coconuts, 70s hit-makers 10cc and the Japanese Jeff Beck 'Kill Bill' theme tune writer Tomoyasu Hotel. Closing the festival on the Songbird Stage is Celtic fusion band Peatbog Faeries, and on the main stage the legendary Gipsy Kings winner of this year's Grammy for Best World Music Album.

And that's not all

The Festival has booked a great line-up of comedy stars including Al Murray and Jeremy Hardy. For younger festival goers there's the fantastic children's zone with countless activities along with an extensive fairground and giant Ferris wheel. And don't miss a visit to the Vintage mobile cinema which will be showing a mini

short-film festival.

Supermini praised for its style and running costs as it is named best small car for 2014

Top honours for Citroën DS3

• The Citroën DS3, the best small car for 2014 as voted by the What Car? JD Power Survey

A DRIVER satisfaction survey has named the Citroën DS3 as the best small car for 2014.

The French supermini, which launched in 2010, scored 79.3 per cent for the What Car? JD Power Survey 2014 satisfaction survey.

It means the car ranks 21 overall out of 109 models and scored two per cent over the average 77.3 per cent.

The model was praised for its style, running costs, driver visibility, and colour options.

Car owner Nick Baum, 44, said: "The DS3 never fails to put a smile on my face. It looks terrific, it's comfortable and it's quick; I went for the 1.6 VTi petrol motor."

"The DS3 has plenty of room for my three boys in the back, even with the driver's seat pushed all the way back to accommodate my long legs."

"Equipment levels are great, with auto lights and wipers, cruise control and a decent stereo that connects to the iPhone."

What Car? editor Jim Holder said: "DS3 has really established itself as an extremely desirable small car - its bold, fun and customisable styling sets

it apart from its competitors."

The model was named best supermini in the 2013 survey.

Citroën UK's managing director Linda Jackson said: "To top its class for two successive years is a fantastic result for DS3 and it is all the more special to win an award that is voted for by owners themselves."

"Receiving such high praise for a variety of aspects, from styling to running costs, is testament to the DS3's versatility and desirability as it continues to impress across the board."

Going into next year's What Car? JD Power Survey, competitors of the DS3 Citroën model seem to have a lot of catching up to do in both technological and aesthetic fields in order to knock the DS3 off its top spot.

The JD Power survey took place between January and March 2014, using cars registered between January 2011 and December 2012.

Only models with more than 4,000 sales were considered - 109 in total.

End of the road for your vehicle?

Responsible drivers scrap their vehicles at an
Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.

That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. www.direct.gov.uk/motoring

Improve your chances of selling your home with Sansome & George!

Sansome & George's prominent double-fronted office in Winchester Street, Basingstoke town centre has undergone a make over!

The transformation of the Basingstoke office forms part of the growth and new look of Sansome & George. With new LED window displays, new decoration and office layout and increased staff members, our flagship office in the town centre of Basingstoke is equipped to serve the wider area and support our computer linked branches in North Hampshire and West Berkshire.

Heading up the Basingstoke Office is Sean Griffin, who has been working with Sansome & George for a number of years and was then promoted to run the Double fronted Town Centre office.

Sean commented: "We are delighted with the look of the

Basingstoke Office, unlike a number of our competitors we feel it is important to advertise all of our clients homes, across all of our branches and with our

prominent window in Basingstoke Town Centre the LED Displays really stand out!"

Selling or letting? Buying or rent-

ing? Contact Sean and his team at the Basingstoke town centre office on 01256 807111, or visit the office at 41 - 43 Winchester Street, Basingstoke.

Your questions answered

Q Do you drive a car under three years old and think you have to service it at a main dealer to qualify for warranty?

Q Does your car need an MOT but you are not sure if certain areas need attention?

A: Why not book your car in for a service at our fiercely competitive rates and we can ensure that the vehicle is fully compliant for MOT standards.

Q Are you looking for quality car repairs and servicing with the emphasis on SERVICE?

A: Fastfit Service Centre, Basingstoke, offer FREE local collection and delivery or a FREE game of Pool while you wait.

Q Why not book your car in for ECU Remapping & benefit from better mpg, more torque & more bhp?

A: Call Basingstoke (01256) 321800

Call Fastfit Service Centre, Basingstoke, NOW and let us take the worry out of your car maintenance for ever!

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging

from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough times, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!

Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!

These guys definitely know what they're talking about and I would recommend them to anyone!

Chris H
• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Rose ready for US Open title defence

JUSTIN Rose begins his defence of his US Open title today, as he tees off at North Carolina's Pinehurst course at 11.51am this morning.

He will play alongside Open champion Phil Mickelson and last year's US Open Amateur champion Matthew Fitzpatrick for the opening two rounds.

Last year Rose won his first major tournament after rounds of 71, 69, 71 and 70 at Merion, Pennsylvania, gave him a final score of one over par.

He finished two shots ahead of Mickelson and Australia's Jason Day, and earned \$1,440,000 for his efforts.

Rose missed the cut in his last competitive match – the Memorial Tournament in Ohio – the first time he had done so since March.

Before that he had come 25th in the BMW PGA Championship at Wentworth in Surrey, finishing 10 shots behind winner Rory McIlroy.

He had enjoyed three top-10 finishes on the PGA tour inside three weeks in April and May, after coming tied-14th at the Masters on April 13.

The US Open runs until Sunday.

If more than one player is tied for the lead after the final day, then an 18-hole play-off will decide the winner on the Monday.

Collard pleased with Oulton performance

By Adam Flinn

news@basingstokeobserver.co.uk

ROB Collard enjoyed his best British Touring Car Championship (BTCC) weekend of the season at Oulton Park on Sunday, picking up two podium places.

The Hook driver lined up fourth on the grid for race one, and jumped up to second off the start, where he remained for the rest of the race.

Collard repeated the feat in race two, but was moved back to third following a post-race penalty after being judged to have passed the Audi of Rob Austin under yellow flags.

He was back in the podium positions in race three, but a spin resulting from being hit by Jason Plato dropped him to 11th at the end.

"It's been a phenomenal weekend for me in terms of my performance," said Collard.

"It was great to get my best result of the year in race two, but in race two, when the safety car was deployed, I slowed so that I didn't pass Colin (Turkington) and Austin took advantage.

"He gave me the place back but it was under the safety car, and

they reversed the places.

"Overall the BMW has been very strong in both the wet and the dry, and we can be pleased with the speed we have shown."

Elsewhere, Odiham's Nick Foster was denied a top-10 result in race two, after a throttle problem forced him to retire.

Foster had finished eighth in the first race, and was on course to do so again when he encountered the problem.

He fought his way up the field from the back in race three to claim the final points-scoring position of 15th.

"The throttle problem was a real shame, especially as I was running in the position that was ultimately drawn on pole for race three," said Foster.

"The final race was good and it was nice to score a point, but it was very much a case of bringing the car home and not taking unnecessary risks."

Sunday's results put Collard fifth in the championship standings with 125 points, while Foster is 16th with 36 points.

The next race is at Croft on June 29.

Four out of four for Basingstoke

BASINGSTOKE and North Hants Cricket Club's winning run continued on Saturday, as they beat hosts Hursley by 19 runs.

The visitors set a target of 255-6 from their 50 overs, but Hursley could only score 236-5 in reply.

They have now won their opening four matches in the Southern Cricket Premier League Division One, and are second in the standings.

Elsewhere, Hook and Newnham Basics were beaten at home to Bournemouth by two wickets, after they could only post a score of 86 all out.

They are sixth in the Division One standings as a result, with an average of 10 points from their opening three fixtures.

And Hartley Wintney lost on their travels to Portsmouth, as their total of 160 was easily overcome by the hosts.

Wintney are eighth out of 10 in the Division Two table, having taken an average of 9.75 points from their initial four matches.

Basingstoke host Hook and Newnham in a derby game at May's Bounty on Saturday, while Hartley Wintney host Havant II.

Calleva reveal first friendlies

TADLEY Calleva have announced their first pre-season friendly fixtures, in advance of the new Wessex League Division One season due to get underway in August.

They will play Fleet Town on July 10, before travelling to Ascot United on July 15, Alresford Town on July 19 and Bagshot Lea on July 22.

Calleva will also host Winchester City on July 26 and Thatcham Town on July 29, before a final away game against Henley Town on August 2.

New deals accepted by top Bison players

BASINGSTOKE Bison have signed key players Tomas Karpov, Miroslav Vantroba and Andy Melachrino ahead of the new English Ice Hockey Premier League season.

Czech-player Karpov was Bison's top scorer last season, as he hit the net 43 times in 60 games before being named Supporters' and Coaches' Player of the Year.

Fellow forward Melachrino scored 22 goals over the season, including the strike that

sealed the EPL Cup victory in Basingstoke.

And Vantroba has also committed to the Herd for another year, after a strong season on the blue line.

Bison player/coach Doug Sheppard said: "I think Tomas is capable of scoring 50 goals. He showed his all-round game in the play-offs and is a very humble guy."

"Miro is one of the smartest players I have played with."

"His puck management is so

good.

"Andy had a great year for us and he will score even more this time."

"He brings energy to his line and I will be playing alongside Tomas and Michael Wales at the start of the season."

HAMILTON GETS BEST RESULT IN PORTUGAL

Racer ready for Le Mans challenge

BASINGSTOKE sports car driver Archie Hamilton continued his preparation for next weekend's Le Mans race as he claimed second position in the International GT Open in Portugal on Sunday.

He and co-driver Diederick Sijthoff took the V8 Racing Corvette to their first podium finish of the season, following on from a disappointing first round in Germany in May.

Hamilton gained three positions after making a strong start in the second race at Portimao, before trading seats with Sijthoff after 15 laps.

The Dutch driver was able to hold on to the second position Hamilton had got into until the end of the race.

By Adam Flinn

news@basingstokeobserver.co.uk

It came after Hamilton had taken over from Sijthoff in the first race down in 16th place, and worked his way up to sixth by the end.

"It has taken us four races but we have now shown that we are podium contenders," said Hamilton. "Hopefully all our bad luck is now out of the way."

"I know we both have more time in us and the car can give us a little bit too, so after Le Mans I will be focussing on how to continue getting results and hopefully getting a win before too long."

Hamilton's attention now turns to Le Mans, where the second day of qualifying takes place today after today's first times were set.

Hamilton added: "I'm looking forward to getting back in the Ferrari, but most of all to getting back out on the Le Mans circuit."

"I completely understand my grandfathers addiction and I hope that doing my best is enough to get our team onto the podium at Le Mans too."

"Sixty-one years ago he took an overall win, so if I can get a class podium or win then it's a good next step to emulating his achievement."

The 24-hour race starts at 3pm local time on Saturday.
